

Children and Education Foundation

2014-2019 Retrospective

FOSPE Children & Education Foundation is a registered 501c3 designated non-profit.
We thank you for your support and friendship.

Dear fifth grade students & children of South Pointe Elementary,

Five years ago, when some of you were making your way through kindergarten, I joined a group of dedicated parents and organized Friends of South Pointe Elementary Children and Education Foundation a non-profit association part of "Fospé".

In five years, we raised more than \$2 million dollars, which we reinvested back into South Pointe Elementary for engaging activities and educational programs. We did this because we care deeply for our students and want you to have the best. Our goal was to provide you with countless dreams, memories, aspirations, and vocations to add to your experience with your friends, family, teachers, and SPE community.

Now that you are ready to embark on another exciting journey, and that your friends will one day be the future fifth graders, please keep in mind, if I may, these words from "The Little Prince":

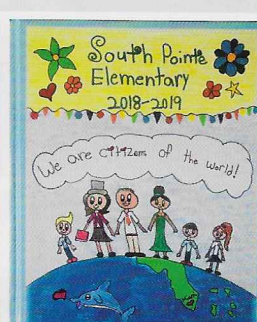

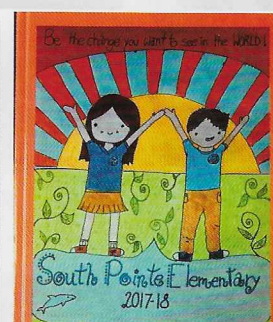

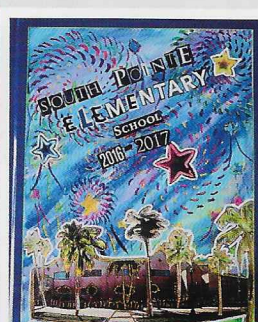

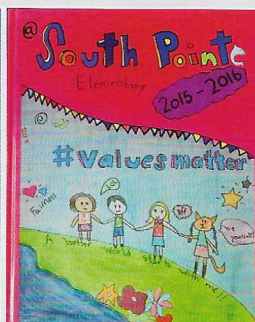

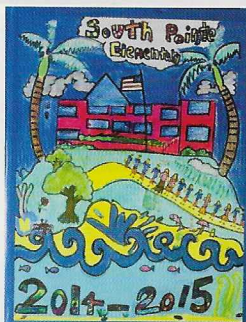

"It is only with the heart that one can see rightly, what is essential is invisible to the eye."

Lastly, please thank your parents for having trusted us with what is most precious to them: you!

We wish you all the very best !

Pierre.

Pierre De Agostini

FOSPE 2014-2019 BY THE NUMBERS

♥ \$ 2,050,000 raised;
